

Process in Summary

1) Enroll as an Indirect Reseller

2) Provision *Indirect Reseller Experience* service in LCMP

3) Accept Logicom CSP Provider invitation

Indirect Reseller Experience / Enrollment

First step: You have to follow the link below in order to enroll as Indirect Reseller

<https://partner.microsoft.com/en-us/pcv/register/joinnow/enrollmentwelcome/valueaddedreseller>

Welcome to Partner Center!

As a Microsoft partner on Partner Center, you have at your fingertips an entire platform designed to make it easy to create and manage business profiles, manage referrals, and do business with customers and indirect providers.

To create a Partner Center account, you'll need to provide the following information. You may want to take a few minutes to gather these items before you get started:

- **Global administrator credentials for your work account**

You'll need to provide the user name and password you use to sign into Office 365, Microsoft Azure, or Microsoft Dynamics CRM. If you don't have a work account, you can create one during the enrollment process.

- **The user name and password you use to sign in to the Partner Membership Center site**

We use this information to link your organization's Microsoft Partner Network ID (MPN ID) with your new Partner Center account so that you can manage your membership benefits and data in Partner Center.

- **Your organization's legal business name, address, primary contact, and support details**

We need this information to confirm that your organization has an established profile with Microsoft and that you are authorized to act on its behalf.

Please note that it can take us several days to review and verify the information you've provided. We'll email you when we've completed our review.

Indirect Reseller - Group IDs

How to find Admin Agents/Help Agents Group ID

- Open Azure Active Directory
- Click on Groups
- In the list find the 2 groups (Admin Agents and Helpdesk Agents) and take their ObjectID.
- Then open Logicom Cloud Marketplace,
- Navigate to your Root directory
- Open the Indirect Reseller Experience service
- Add those two IDs in the fields you see there.

Indirect Reseller Experience / Accept Invitation

8.

Partner is not yet associated with Logicom. Thus, the message shown in read will appear.

Click on the URL in the message to accept the Indirect Reseller invitation.

Once done, click Finish

Reseller Tenant ID *	<p>Please accept <u>Indirect reseller invitation</u>, or provide correct Reseller TenantId</p>
	<input type="text" value="testDir"/> 
Datacenter *	<input type="text" value="Global"/>

Confirm partnership

 Authorization of an indirect provider partnership allows their full access to your services, subscriptions, and data. Microsoft verifies all indirect providers, but is not responsible for the delegated administrator.

Primary contact cloudcustomer@logicom.net

Organization Logicom

I agree and confirm that this Microsoft indirect provider can sell Cloud Services to my customers, and will receive delegated admin permissions on my Azure AD account.
